Athletic Club

Your local athletics club caters for all standards of achievement and all branches of this sport including:

Road running; Track, field and sportshall athletics; Cross country, Race Walking and Fell running.

All athletes from **nine** to ninety nine are welcome to join the club, to train with us and to compete in the many and various leagues, team and individual competitions. We also run a session for 5-8 year-olds who don't need to be members (see Training below).

There is a satellite Club in Buckingham which uses the track at Stowe School in the summer.

The current membership of the Club is around 800. The Club is based at Stantonbury Campus Stadium, which was refurbished and extended from six to eight lanes in 2007.

The Club enjoys substantial annual sponsorship from Marshall Amplification Ltd, which it uses to support its athletes, coaches and officials.

Track and field athletics

Events take place mainly in the summer but there is some indoor competition in the winter. Some of our youngest members take part in Sportshall athletics in the winter. The Club has teams in a number of different leagues:

In 2008 Craig Pickering and Greg Rutherford represented Great Britain at the Beijing Olympics. Craig competed in the 100m and 4x100m relay while Greg Rutherford reached the Final in the long jump. Greg holds the British Long Jump Record with 8.51m. Craig (100m and 4x100m), Greg and Chris Clarke (4x400m) and Mervyn Luckwell, (Javelin) represented Great Britain in the 2009 World Championships in Berlin. Craig, Greg and Chris represented Great Britain at the 2011 World Championships in Daegu. Two MMKAC athletes represented Great Britain at the London Games in 2012: Gold Medallist, Greg Rutherford, and Javelin thrower, Mervyn Luckwell. Greg has since become World, European and Commonwealth Champion, one of only five UK athletes who have simultaneously held all four titles. International Cerebral Palsy athlete, Thomas Green, is a member.

Road running

Road races take place throughout the year, catering mainly for senior and veteran, men and women. Marshall MKAC athletes attend events in this area and teams are entered in many races and relay events. The Club has a large section of veteran athletes (Women over 35 and Men over 40) of all abilities. The Club organises four major road races each year:

- **The Wolverton Five Mile Road Race** is held round Willen Lake on the last Saturday in November. The race attracts a high-quality field, and has numbered over 250 runners. The course records are held by international athletes Justin Hobbs (23.01) and Alison Wyeth (26.21). This event is free for paid-up members.
- **The Milton Keynes 10km Road Race** is held at the Open University in late June/early July. This race is the last event in the East Midlands Grand Prix, which consists of a series of eight mid-week road races in May, June and July. Over 500 athletes entered the race in 2017. This event is free for paid-up members.

- **The Chiltern League** has five matches each winter for under 13, under 15, under 17 boys, senior men, veteran men, under 13, under 15, under 17 girls and senior women. For fifteen of the past twenty years, including the 2016/17 season, the Club has been the Overall Champions in Division 1.

The Club sends teams to a variety of open cross country races, and to the County, Southern and National Cross Country Championships.

Fell-running and Race Walking

The Club occasionally sends teams to contest fell running events and has a number of members who are interested in race walking, for which coaching can be provided..

Coaching and Officials

The Club has over sixty qualified coaches, including a Level 4 Coach and nine level three coaches, covering all athletic events. All coaches offer their services without charge. **All athletes under seventeen years of age must be registered with a coach.**

The Club has a small but dedicated band of qualified officials, including timekeepers, track judges, field-event judges and starters, who ensure that all athletics meetings in Milton Keynes run smoothly and efficiently.

The Club is managed by a Committee of approximately twenty three members including athletes, coaches, officials and parents.

Any member who wishes to become a qualified coach or official is encouraged to attend courses. The Club will pay the fees for these courses, provided that members have been with the Club for at least six months and that they will use their qualification for the benefit of the Club. Any member, or prospective member, who wishes to become qualified should contact the Coaching Secretary: Panos Ioannou (panos100m@gmail.com), or the Officials' Secretary: Fi Han Bromilow (f.bromilow@btinternet.com).

Since April 1993 the Club has been responsible for the management of Stantonbury Athletics Stadium and for the maintenance and replacement of all athletic equipment. For any meeting held on the track outside school hours, the Club will appoint an equipment officer who will be responsible for organising the equipment and for its safe return. A small fee is paid for these services.

A small number of members organise refreshments at the clubhouse. If you wish to assist with the catering please contact Wendy Durand.

Thanks to sponsorship from *Bon Viveur*, a local gourmet restaurant, we are able to offer all officials and team managers a lavish lunch at all of our home meetings.
